

Item Code: POP 12mil Just POP-IN Matte Film

Strong and Rigid are why you chose this 12 mil PET “Pop-up” film. It is strong enough to withstand repeated display insertions without breaking, tearing or chipping. The black back light-block layer and bright white water resistant coating eliminates image wash out and “POPs” the image. Specifically coated to be compatible with aqueous inkjet inks and is water resistant.

- 100% Blockout
- Bright white for image pop
- Accepts heavy ink application
- Strong and rigid

Applications

- Trade Show Booths
- High-End POS
- Photo Reproduction
