

Item Code: POPGL 13 mil Just POP-IN Gloss Film

Strong and Rigid this is why you chose this 13 mil PET “Pop-up” film. It is strong enough to withstand repeated display insertions without breaking, tearing or chipping. The silver/grey back light-block layer and bright white water resistant coating eliminates image wash out and “Pop’s” the image.

- 100% Blockout, silver/grey back
- Bright White for Image Pop
- Accepts Heavy Ink Application
- Strong and Rigid
- Water Resistant, accepts Pigment & Dye Inks

Applications

- Trade Show Booths
- High-End POS
- Photo Reproduction
