

Item Code: WRMVAD 6 Mil Production Matte Vinyl w/ Adhesive

Que Media's economy, matte, calendered vinyl with permanent pressure sensitive adhesive has a water resistant coating that resists fading and produces vibrant, true color images. Best used for short-term flexible or mounted signs and banners. For longer term, use UV inks and our Millennium laminates.

- Water resistant with dye & pigment inks
- Non-glare matte finish
- High color gamut & dry time
- 6 mil release liner
- Economical

Applications

- Flexible or Mounted Signage
- Indoor/Outdoor Banner
- Photo Reproduction

Physical Specifications

Base Weight: Grams/m2	165
Caliper (mil)	6
Storage	Indoor, 1 yr. between 50-80°
Life Expectancy	Indoor 6 mo./outdoor 3 mo.

This product has been tested with Que Media, Millennium laminates. Pressure sensitive laminates provide the most aggressive bond and are recommended for use with this product. Lamination will help to extend the life of your print by reducing the rate of fade and protect against abrasion. Life extension varies due to climate and environment conditions.
