

Item Code: MBPE

6 mil High Rolling Matte

Block-Out Film

High Rolling Matte is a 100% PET film with a nanoporus coating that allows for heavy ink saturation for bold, beautiful prints. Black back block-out for 100% opacity . The 6 mil weight and anti-curl characteristics make this the ideal media for retractable banner stands.

- Front print, black back block-out
- High image resolution & vivid color
- Matte, highly water resistant finish
- Compatible with dye & pigment inks

Applications

- Retractable Banner Stands
- Tradeshow Booths Graphics
- POS Display & Retail
